HOW TO USE YOUR RFID BADGE — TAP IN/OUT

To help prevent scalping and counterfeit badges, Comic-Con badges are once again enabled with RFID (Radio Frequency Identification) tags. At various points of entry to the San Diego Convention Center, Hall H, and the Indigo Ballroom at the Hilton San Diego Bayfront hotel, you will encounter gates with a "SCAN HERE" indicator near the top of the gate. All you need to do is tap your badge briefly to the indicator. When you do, you'll get a green light that indicates you've been validated and are okay to enter. When you leave, you MUST tap your badge out so you may re-enter when you return.

It is important to remember to tap your badge when you leave, or you could be denied re-entry! If you forget to tap out or if you are experience an issue with your RFID badge, please visit one of our **RFID Badge Help Desks** located in Lobby A, D, and G of the San Diego Convention Center or visit Attendee Badge Solutions in the Registration Area located upstairs in the Sails Pavilion. Remember, to resolve a badging issue, you will need a photo ID to validate that you are the badge holder of record.

Always wear your badge and hang on to it! You will need your badge to attend any Comic-Con function, including all daytime and nighttime panels and events at the San Diego Convention Center and other program and event locations around downtown (including the Marriott, Hilton, Hyatt, and Omni hotels, plus the Horton Grand Theatre and the San Diego Central Library) and, of course, browsing or shopping in the Exhibit Hall. Keep your badge visible so guards do not stop you. If you're asked to show your badge and photo ID, please do so. **Badges are nontransferable. Please do not give your badge**

to a friend or to people outside the Convention Center when you leave Comic-Con. Security will perform random ID checks throughout the convention, so make sure the name on your badge matches your photo ID!

NEW FOR 2019!
RFID cards are a thing of the past!

This year, a complete Comic-Con 2019 badge is made up of two pieces only: **the plastic badge holder with an RFID sticker attached and your daily or 4-Day paper name badge(s).** This means you will no longer have a separate RFID card in addition to your paper badge! You must wear and display your complete badge at all times while onsite and at any official Comic-Con event.

Your badge is invalid if it is missing the plastic holder or the attached RFID sticker.

Anyone with damaged or tampered with badges/RFID stickers will not be allowed access to the San Diego Convention Center. If your RFID sticker is damaged, or has been removed, please bring your badge confirmation, damaged badge/sticker, and a valid photo ID to the Attendee Badge Solutions Desk in the Sails Pavilion when you arrive onsite.

STUDIO OR EXHIBITOR SIGNINGS AND MERCHANDISE TIME SLOTS

The online Exclusives Portal was designed to help decrease the time spent waiting in line for ticketed exclusives, and increase the time available for doing the things you love! There will be no onsite ticketing for studio or exhibitor exclusive signings, or Bluefin Distribution, Funko, Hasbro, LEGO, or UCC Distributing merchandise.

If you were selected to participate in a studio or exhibitor exclusive signing or an exclusive merchandise purchasing time slot,

please refer to your selection confirmation for details on where to pick up your wristband or item.

There will be no standby lines for "leftover" studio or exhibitor exclusive signing wristbands or exclusive merchandise purchasing time slot opportunities. Fans that were selected online must read their selection confirmation for detailed redemption details (where to go, when to go, and what to bring).

Toucan Tracker Wristbands for Hall H

Hate waiting in line? We do too! To help you manage your valuable time at Comic-Con and to discourage line cutting, the Toucan Tracker wristbands will be returning to Hall H for 2019!

Toucan Tracker wristbands give attendees flexibility based upon their priorities at Comic-Con. If you wish to get a front section seat in Hall H, you are welcome to wait in line overnight once you receive your wristband. If seat placement is not a priority to you, wristbands allow you to reserve general seating in Hall H and come back in the morning. Toucan Trackers are essentially a way for you to know that you have a seat in Hall H, whether you are physically in line or not!

SO HOW DO THEY WORK?

Toucan Tracker wristbands will be given out the night before for the next day's Hall H first seating. For example, Saturday morning's wristbands will be given out on Friday night. After verifying your badge, Line Staff will hand you a wristband, which you will need to securely attach to your wrist, and then you will present your badge for scanning by staff prior to leaving the line. The scanning staff will verify that your wristband is attached securely and then scan your badge for the next morning's first seating of Hall H. When you enter Hall H the following morning, you will need to show your wristband and scan your badge. Once you receive your wristband, you have three options:

1. You may immediately line up for the following day's first panel in Hall H.
2. You may leave someone to hold your place in line, and return before 7:30 AM to meet them. You will be allowed to join them in line as long as you have a matching wristband for your group. If your group wishes to enter together, all members of your group will need to get wristbands at the same time, so plan accordingly.
3. You may leave, get a good night's rest, and return to the end of the wristbanded line before 7:30 AM. Please keep in mind that you must be there before 7:30 AM.

If you decide to leave the line at any point, you may return to the end of the wristbanded line prior to 7:30 AM and still gain entry to the first panel of the day in Hall H. You do not need to wait overnight! If you return after 7:30 AM, you will have to go to the end of the Hall H line and may not receive first seating.

Note: You cannot leave unattended personal items (chairs, sleeping bags, clothing, etc.) as a placeholder in line. Someone must be present at all times. You can hold space for up to 5 people.

AND WHERE DO YOU GET THESE FABULOUS WRISTBANDS?

Toucan Tracker wristbands will be distributed at the front of the Next Day Line for Hall H. Distribution times vary by day. Please see the map to the right for the location of the Next Day Line.

You will need your Comic-Con 2019 badge or your barcode confirmation to receive a wristband. Be aware that IDs will be checked, and the name on your photo ID must match the barcode confirmation.

DISTRIBUTION DATES/TIMES

- **Wednesday, July 17:** Wristband distribution for Thursday panels in Hall H will begin at **8:00 PM** in the general Hall H line in Plaza Park.
- **Thursday, July 18:** Wristband distribution for Friday panels in Hall H will begin at **6:15 PM** at the front of the Next Day Line.
- **Friday, July 19:** Wristband distribution for Saturday panels in Hall H will begin at **8:45 PM** at the front of the Next Day Line.
- **Saturday, July 20:** Wristband distribution for Sunday panels in Hall H will begin at **9:30 PM** at the front of the Next Day Line.

Note: Wristband distribution will continue throughout the night until all wristbands are distributed or until 7:30 AM the following day.

Remember, you do not need to wait in line overnight to receive first seating. Your wristband ensures first seating for the first panel of the day in Hall H. You are welcome to have someone hold your place in line or simply return to the end of the wristbanded line prior to 7:30 AM.

Wristbands will only be used for the first panel of the day in Hall H. Once the wristband line has been let into the hall, individuals without wristbands will be allowed to enter.

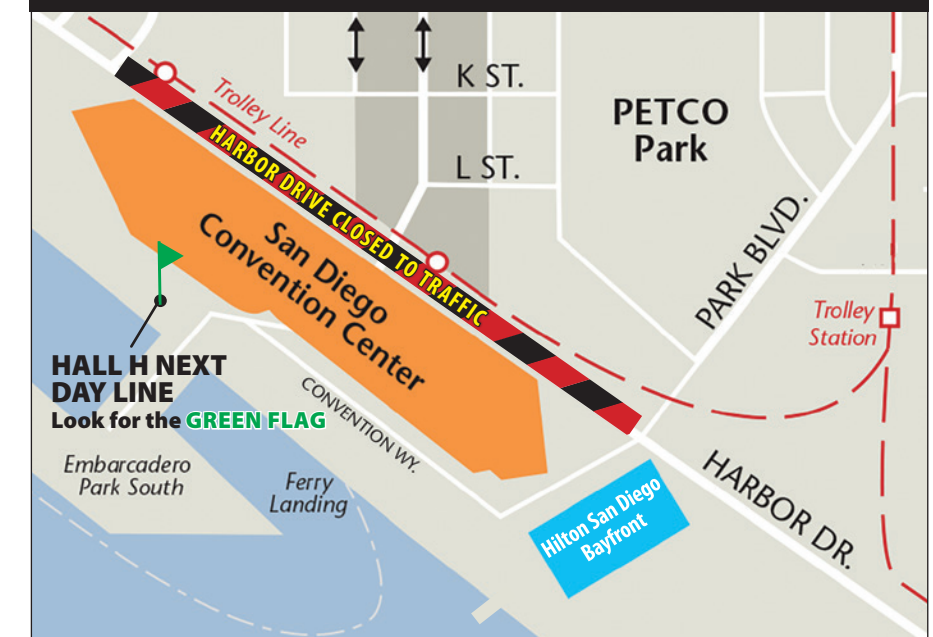

THE FINE PRINT:

Wristbands are issued such that the wristband holder will have first seating for Hall H (barring any unforeseen circumstances). We anticipate that all holders of wristbands will be able to get seating for Hall H if you follow the guidelines above. Comic-Con reserves the right to refuse entry to any person for any reason.

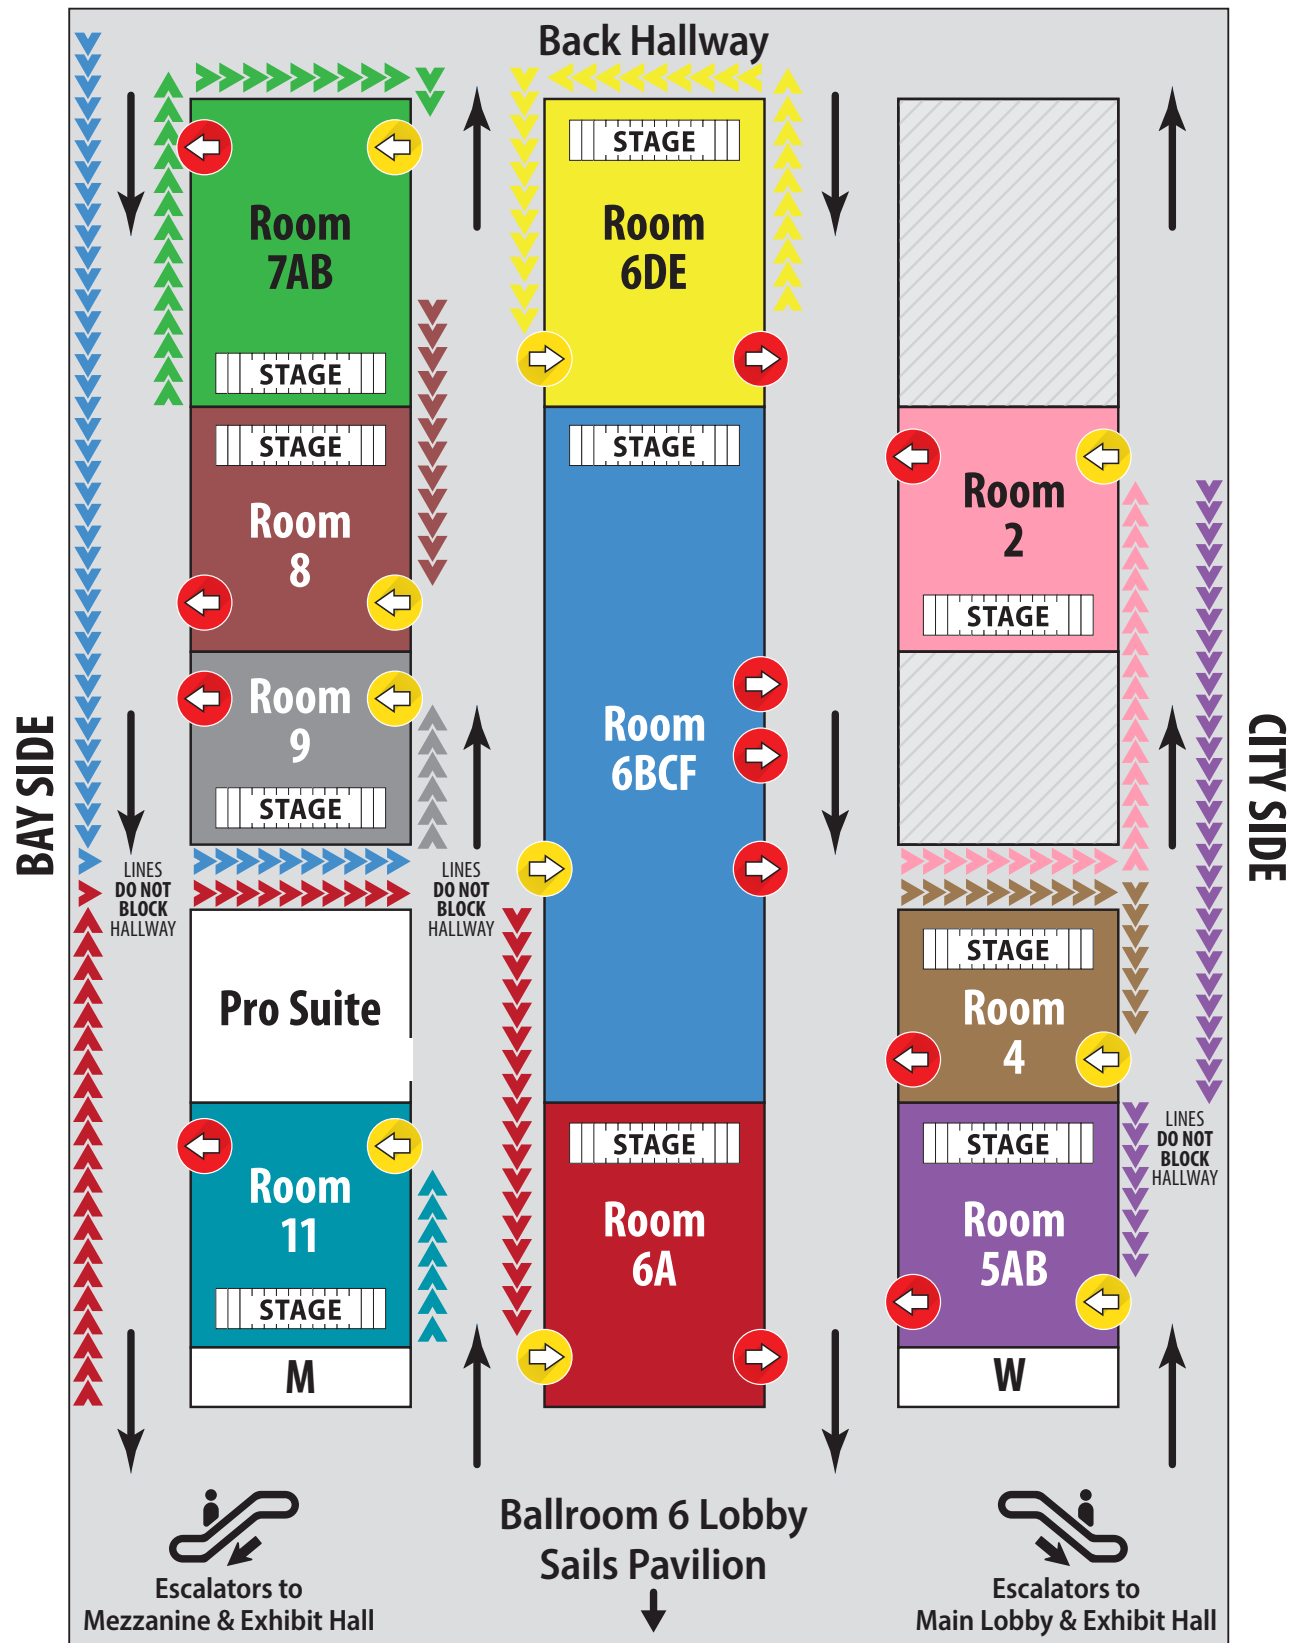

Wristbands cannot be traded or sold. By receiving a wristband, you agree not to sell, trade, transfer or share your wristband. In the event that San Diego Comic Convention/Comic-Con International (SDCC) determines that you have violated this policy, SDCC has the right to cancel your badge(s) with no refund.

Comic-Con reserves the right to change times or procedures for distributing any wristbands for any reason. Safety concerns, and requests from the Convention Center, the Fire Marshal, Police, City, or Port may require we change these published plans.

HORTON GRAND THEATRE & SD CENTRAL LIBRARY PROGRAMS

HORTON GRAND THEATRE

Now in its sixth year, the Horton Grand Theatre plays host to a variety of ticketed panel presentations and film screenings. Tickets are free, and fans who take part are treated to a unique and up-close experience at the intimate venue.

TICKET INFORMATION

Admission to each panel at the Horton Grand Theatre requires a Comic-Con badge and a ticket. There is no additional charge for these tickets.

Please note: There is limited seating in the Horton Grand Theatre for those with a disability, who use a wheelchair, or who are deaf or hard of hearing.

Drawings are held in the Autograph Area at 9:00 AM on Thursday, Friday, and Saturday mornings. Each day's drawings are only for tickets for that day's panels (the Thursday drawing only applies to Thursday panels, etc.)

Each winner gets two tickets. Any tickets left from the day's drawings will be available at the Horton Grand Theatre box office. Follow **#HortonGrandTixSDCC** on Comic-Con's Twitter for official information on tickets available at the Horton Grand Theatre box office. Winning ticket holders must be in the Horton Grand Theatre 15 minutes before the panel start time or else they will forfeit their seats to standby ticket holders.

Horton Grand Theatre is located at 444 4th Avenue, and can be reached via a two-block walk from the Convention Center or by shuttle (see the map below).

See the Program Schedule Grids beginning on page 31 for the complete Horton Grand Theatre schedule.

Comic-Con's expanded campus once again includes the San Diego Central Library. This state-of-the-art location will be home to two panel rooms, which will run specific programming tracks featuring targeted content.

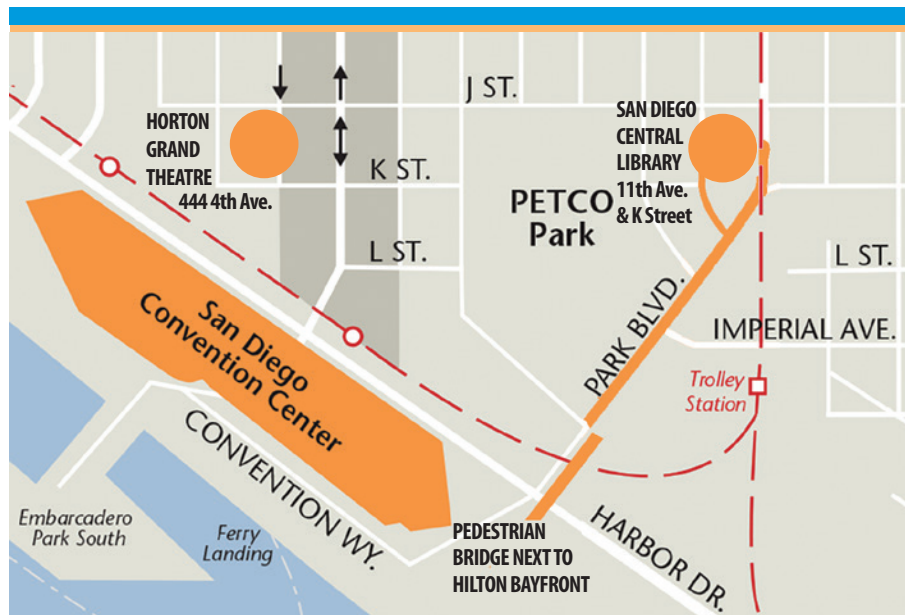

EDUCATION PROGRAMS

The first series of programs, devoted to education, literacy and library issues, will take place in the Shiley Special Events Suite on the 9th floor. This panel track starts on Wednesday, July 17 and continues through Sunday, July 21.

Comic-Con seeks to engage the community and promote comics as a medium for learning and as a literary art form. Our hope is to create an event that will allow librarians and educators to come together to learn ways to incorporate comics and graphic novels in their perspective fields. We also want to bring in publishers as part of the event to allow librarians and educators a chance to speak directly to them in regards to their plans to support comics and graphic novels in the classroom and libraries. In an effort to aid this goal, Comic-Con has opened up this specific panel track to educators and librarians without a Comic-Con badge.

PODCAST AND WEB SERIES PROGRAMS

The second track of panels, dedicated to podcasts and web series, will take place in the Neil Morgan Auditorium, on the 1st floor of the Library. This state-of-the-art space will feature comic and fandom podcasts and a series of panels devoted to web series from Thursday, July 18 through Saturday, July 20.

The San Diego Central Library's official address is 330 Park Blvd., but the quickest way to get there from the Convention Center is to take the pedestrian bridge next to the Hilton San Diego Bayfront, which exits onto Park Blvd. Walk up to 11th Avenue and make a left and the Library will be front of you. The entrance opposite 11th Ave. and K St. is where the Neil Morgan Auditorium is located. The 330 Park Blvd. entrance is on the opposite side of the building, adjacent to the trolley tracks.

See the Program Schedule Grids beginning on page 31 for the complete San Diego Central Library schedule.

COMIC-CON MUSEUM & BARRIOHAUS PROGRAMS & EVENTS

The newest addition to the world of Comic-Con is the Comic-Con Museum, located in Balboa Park at 2131 Pan American Plaza (formerly the Hall of Champions). While the Museum won't officially open until 2021, here's your chance to get a taste of what's to come with an ambitious slate of programs, exhibitions, and events during all four days of Comic-Con. Best of all admission is FREE and you don't need a Comic-Con badge (although there will be capacity limits for the building and programs and events).

Scheduled events include:

The Batman Experience, powered by AT&T is an interactive, immersive experience that includes the largest exhibit of Batman-related comics, art, games, props, costumes and vehicles ever assembled.

Cover Story: The Art of Comic-Con 50, a display of original art exploring 50 years of Comic-Con *Souvenir Book* covers.

"Geek Couture" Fashion Exhibit by Her Universe, the first ever display of winning designs from the popular Her Universe Fashion Show.

Daily Panels in the Museum Theater, organized by the Comic-Con Programming Department. Four panels per day will give the broader community a taste of the great variety and depth of Comic-Con programming.

Bob Ross "Make & Take" Art Class, where visitors can get creative themselves and learn to paint like TV's Bob Ross, under the supervision of a Certified Ross Instructor.

Mondo Gallery: 80 Years of Batman, the first ever traveling exhibit from the Mondo Gallery in Austin, TX, celebrating the history of Batman through 19 iconic and fan-favorite comic-book covers.

The Comic-Con Museum will be open all four days of Comic-Con 2019. Staff will be on hand to answer questions about the project, and guests will be invited to support the Museum by joining as a Charter Member, with various levels of membership benefit on offer.

Open Thursday through Saturday: 9:30 AM-7:00 PM

Sunday: 9:30 AM-5:00 PM

Artists' Loft at BarrioHaus

The newest venue for Comic-Con programming is the Artists' Loft at BarrioHaus, located at 1616 National Avenue. The lineup at BarrioHaus is intended to bring the cultural enrichment and educational aspects of our Comic-Con panels to the public, with a focus on Latinx culture and contributions to popular arts. Programming will take place all four days of Comic-Con, Thursday through Sunday.

Open Thursday through Saturday: 11:30 AM-2:30 PM

Sunday: 11:30 AM-2:30 PM

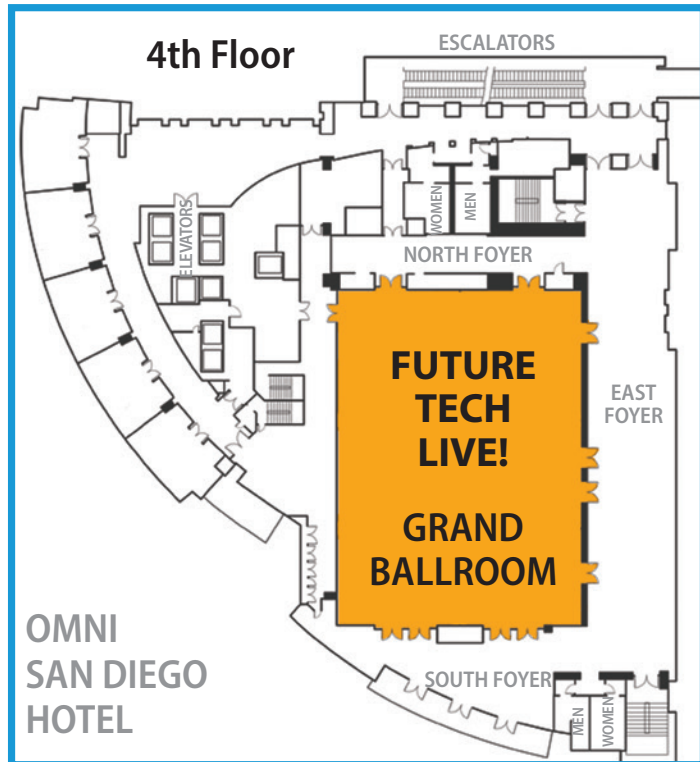

See the Program Schedule Grids beginning on page 31 for the complete Comic-Con Museum and BarrioHaus schedules, and check the Events Guide or the official Comic-Con App for panel descriptions.

Don't Miss the Fourth Annual
COMIC CONFERENCE FOR EDUCATORS AND LIBRARIANS

During San Diego **Comic-Con 2019**,
WEDNESDAY, JULY 17 – SUNDAY, JULY 21
at the San Diego Central Library

Through presentations focused on educators and librarians, Comic-Con hopes to engage the community and promote comics as a medium for learning and as a literary art form. Our hope is to create an event that will allow librarians and educators to come together to learn ways to incorporate comics and graphic novels in their respective fields.

ALWAYS WEAR YOUR COMIC-CON 2019 BADGE WHEN YOU GO OUT TO EAT!
RESTAURANTS ON THIS LIST MAY BE OFFERING SPECIAL DISCOUNTS TO BADGEHOLDERS

Most restaurants listed here are offering special Grab-and-Go options, meal discounts, or are participating in the San Diego Convention Center and East Village Association’s “Show Your Badge & Save Programs.” Here’s how the program works: Attendees simply need to show their badge at the time of purchase to redeem the discount!
